Swallownest Sunshine

Spring 1 Week 6
February 14th 2025

A note from Mrs Peake:

Today, we are ending our term with a push on democracy and ensuring all of our children have their voices heard as they vote for who they would like to represent their class as either an Eco-Councillor or a Reading Ambassador. We have been lucky enough to be joined by members of our local council to make the whole process as true to real-life as possible for the children.

Focus on this fortnight:

We had a wonderful time at the Rotherham Schools Athletics Competition last week with our mixed Y5/6 team. All the children who took part really worked hard to achieve Gold Standard as they competed with 7 other local schools in both track and field events. We were lucky enough to come first in two events—the long jump and the chest push throwing. Well done! Swallownest! #TeamWorkMakesTheDreamWork

Reading Ambassador's recommended read of the fortnight:

Clara Best from New Zealand Class, recommends 'Nevermoor—The Trials of Morrigan Crow' (written by Jessica Townsend)

"I have loved reading this book because I really enjoy mysteries. The characters are really interesting too so you can never get bored with this story! There are other books in the series and I can't wait to read those next."

Ask Clara if you have any questions about 'Nevermoor—The Trials of Morrigan Crow'.

Mrs Peake's Kindness Award:

This fortnight, my Kindness Award goes to **Aurelia Burton (Y1)**.

Aurelia is such a kind-hearted young girl and nothing is too much trouble. Whenever I see Aurelia around school, she always asks if I'm having a lovely day and it never fails to put a big smile on my face. What a super star!

Thank you for your kindness, Aurelia!

A word from our Eco-Council:

This week we have been busy voting for the newest members of our council. We can't wait for our first meeting after the holidays.
