

# AUTUMN TERM

Our Topic is 'Celebrations'

During this half term we will be learning:

<p><b>Maths</b> We will explore 2D and 3D shapes. We will learn the name of shapes. We will learn how to count with 1:1 correspondence and we will be introduced to the numerals too. We will be learning how to calculate changes within 5. We will also learn number bonds within 5.</p>	<p><b>Phonics</b> We will continue to learn Phase 2 phonics letters and sounds  We will learn to segment and blend words, for example p I g and c a t.  Every child will have a Phonics book to read at school and at home.</p>	<p><b>English</b> We will be reading the stories Hansel and Gretel, The Gingerbread Man and The Stickman. We will learn new vocabulary and retell these stories. We will learn letter formation. We will be using our Phonics knowledge to write words and phrases.</p>
<p><b>Science</b>  We will learn about forces. We will discover what happens when we push or pull something. We will also explore objects that sink and float.</p>		<p><b>Geography</b>  We will be learning to make observations of the natural world around us, for example animals and plants.</p>
<p><b>PSHE</b>  We will be celebrating our differences. We will identify something that we are good at and understand that everyone is good at different things.</p>	<p><b>History</b>  We will begin to recognise that we celebrate certain events, such as Christmas.  We will learn about other events from the past. We will use our craft station to make bonfire night artwork and Remembrance Day artwork.</p>	<p><b>PE</b> We will be learning to travel with different footwork patterns and spatial awareness We will learn to experiment with different ways of moving e.g rolling, crawling, walking, hopping, skipping, climbing, jumping and running.</p>

Thank you for all of your continued support. Please continue to read with your child on a regular basis.
