**ATTACHED CONSENT FORM TO BE
RETURNED TO SCHOOL**

5th September 2018

Dear Parent/Carer

Parental Consent

During your child's time at Swallownest Primary School they may have the opportunity to take part in various activities which we would require additional parental consent. These activities are always approved by the Headteacher, present no significant risk to the Health and Safety of pupils and follow Education Authority guidance.

Where activities take place in normal school hours, details of times and dates will be shared either verbally or in the form of a text or note to home prior to the event. The purpose of the attached consent form is to enable your child to participate throughout their school life without the need to seek permission for each event.

Please can you complete the form as soon as possible to enable your child to be included in each event as it occurs, at any stage in his/her school life. If you give your consent at this stage, it will not be necessary for the school to seek further approval as your child progresses through school. Your signed consent will remain on your child's records, unless at a later date, you decide that you wish to withdraw consent. If this is the case, please complete our 'Change of circumstances' form and we will make a record to that effect in your child's file.

It is the duty of the person completing this form to ensure that all details are kept up to date. Should you decide to change your preferences at any time, please contact the school office.

GENERAL DATA PROTECTION REGULATIONS 25th May 2018:- The school is registered under the GDPR for holding personal data. The school has a duty to protect this information and to keep it up to date. The school is required to share some of the data with various organisations – please see the school's Privacy Notices for more information.

Thanking you in anticipation.

Yours sincerely

Mr L McHale
