Total number of pupils on roll	172
Amount of funding received – Sept- March 2021	£10,337
Balance of funding due – May 2021	£7,383
Total amount of SF received	£17,720

Summary of Sports Funding spending September 2020-21

Objectives in spending Sports Funding

To continue to increase teaching and support staff subject knowledge and confidence in the delivery of PE, in turn raising standards for all our children. This includes the purchase of high quality PE resources and continued employment of a sports Co-ordinator for 20-21. The school will also be using the specialist services of dedicated sports coaches in varying methods of deployment- breakfast clubs, in school, after school provision.

To ensure all our children have access to regular exercise and increasing activity levels at break and lunchtimes, embedding the ethos of the importance of a healthy, active lifestyle.

The Sports Co-ordinator has increased pupils' participation in extra-curricular sport and the amount of competitive sport opportunities for pupils. We now have an established team of staff who work together to create a fully inclusive sports for all ethos throughout school.

Summary of spending and actions taken:

See Record of Sports Funding spending by item/project 20-21

Further plans

To ensure that staff CPD continues in Physical Education and to monitor its impact.

To update equipment and kit for all sports. Continued participation in sporting events within the learning community and beyond.

To continue to develop the outdoor space for continued participation in sport and exercise during break and lunchtimes.

To enhance children's sports opportunities with additional clubs within the school day with the assistance of sports coach and sports team.

COVID 19 has significantly reduced the opportunities to compete in competitive sport.

Outcomes to date:

- Sports Co-ordinator working alongside sporting professionals, eg SJD, Wickersley trust, Treeton Club, Rotherham United, Rotherham Titans to encourage sporting activity throughout school and try to access further funding for the school. Links with secondary school (ACET) and learning community schools due to increased participation in sporting events/festivals. (See festivals list)
- High percentage of pupils attending after school clubs. Including increasing % of pupil premium children.
- Range of after school clubs available including – gymnastics, dodge ball, football, boxercise, basketball, hockey
- Increased participation in competitive sport (Inter and Intra)
- Sainsbury's School Games Gold Award
- Playground leaders- providing opportunities at playtime and lunchtime to participate in social play
- Introduction of netball and tri-golf
- 100% pupil premium took apart in out of school competitive sport in 17/18, 18/19. 19/20

Covid19 impact 19/20.

Plans for 2020-21

Objective	Outcome
To ensure that staff CPD continues in Physical Education focussing on inclusive PE to meet the needs of all our children.	The Sports Co-ordinator attends regular cluster meetings and reports back to SLT with any training opportunities for staff – Monitor the implementation of curriculum following INSET and training.
Continued participation in sporting events within the learning community and beyond.	Children competing in competitions and achieved rated of success.
To continue to pursue all areas available for additional funding for sports.	Continued promotion of a healthier lifestyle.
To renovate and revitalise the sports kits/equipment in school.	New equipment will be purchased to ensure first class quality PE provision is continuing for staff and pupils.
To extend the qualification of the lead sports practitioners.	Offering a first class service to all children, not only in our own school but in the wider community.
To work with other subject leads: PHSE/Science	Provide and broad and balanced curriculum, encouraging mindfulness, well-being and health schools in light of the WW pandemic/COVID
To drive/raise awareness of healthy lifestyles and options available to all.	Using the growth comparison data to enhance the offering to all children at SWP.
